ISLAND MODULES -

D:120cm L:123 – 603cm H:92cm

NARROW ISLAND MODULES -

D:95cm L:123 – 603cm H:92cm

WALL MODULES -

D:60cm L:63 – 603cm H:92cm

NO TALL MODULES

The V2 kitchen features oak veneer and anodized aluminium fronts paired with a stainless-steel countertop

WORKTOP:
1mm stainless steel sheet folded on wooden core.
Final thickness of the top will be 20mm.

CABINETS AND DRAWERS:

Oak veneered cabinets and panels.

We will offer extruded and anodized aluminium fronts, just like on the cabinet systems.

The veneer on the front will be applied after the mixed-and-matched-principle , meaning the veneer will not be mirrored or matched.

For the veneer panels, we will reuse the handles from the previous V2 kitchen.

Hinges, drawer systems and inserts are just as you know them from V1 and V3.

VIPP KITCHEN
THE VIPP V4

All stainless steel / **One color**

Stainless steel / 27mm Stainless steel worktop

WALL MODULES -
D:64cm L:66 – 606cm H:92cm

ISLAND W. SEATING MODULES -
To be developed

NO TALL MODULES

The fronts and countertop of the V4 kitchen are made from stainless-steel

WORKTOP: 1mm stainless steel sheet folded on wooden core.
Final thickness of the top will be 27mm.

CABINETS AND DRAWERS:

All fronts and panels are hairline brushed stainless steel fitted with a nicely detailed stainless-steel handle.

Hinges, drawer systems and inserts are just as you know them from V1 and V3

VIPP STORAGE
CABINET H5

Vipp brings together oak, marble, and anodized aluminium in the H5 Cabinet. The wall mounted oak cabinet features five storage compartments combining open shelves or closed doors.

The Vipp Cabinet system is available in two colour combinations: dark oak, Pietra Grey marble, and dark anodized aluminium, or light oak, sky grey marble, and light anodized aluminium.
